

CONVENTION SERVICES

The finishing touches.

You may be looking for someone to plan your event from start to finish. You may need help with some of the details, like setting up audio or arranging place settings. You may need to line up cars to shuttle your delegates safely between the airport and the hotel. Whatever you need – no matter how special – you can call Tourism Saskatoon or any of our convention suppliers. You can be sure you'll reach warm and friendly people who have a genuine desire to make your event the best ever.

Meeting and Event Planners

Living Skies Events and Tours

Living Skies Events and Tours is a Destination Management Company (DMC) working in Saskatoon since 1996. Living Skies DMC has planned conferences and events for Atlas Van Lines, Pacific and Western Bank, Canada's Premiers Conference, Canadian Bar Association, Canadian Medical Association and many others.

Living Skies offers activities, ideas and creative options to ensure meetings, incentives and conventions have maximum impact. Their experience in all facets of event planning includes staffing, registrations, programming, tours, ground transportation, sourcing and securing high-calibre entertainers. Living Skies provides the expertise, attention to detail, knowledge of the area and hands-on policy to ensure the delivery of a seamless, reliable program.

Inland Audio Visual

With five prairie locations including Saskatoon, Inland AV provides sales, service and rental audiovisual (AV) services. The rentals division provides technical AV services for events such as staging, meeting and conference, simultaneous interpretation, webcasting and videoconferencing.

Clear two-way communication is the goal of all meetings. The audio must be intelligible. Visuals must be displayed in an appropriate format that is determined by the setting. AV systems can help keep the meeting on task, informative and more productive. Meeting communication can be enhanced with large screen computer data and video projection systems; conference microphone systems; audio reinforcement, recording and duplicating; videoconferencing from the Inland AV suite or mobile unit; interactive whiteboards, and a multitude of other AV components available for your custom system design.

Prestige Car Service

Prestige Car Service, along with United Cabs and Blueline Taxi, make up the United Group, Saskatoon's largest transportation provider. They operate luxury sedans, SUVs, multi-passenger vans and wheelchair accessible vehicles.

Prestige Limousine removes the pressure of traffic, the hassles of a strange city and parking. Professional chauffeurs know the most efficient route to your destination, when to help with baggage, how to get around, where to dine and points of interest, all the while helping visiting delegates to enjoy their stay. Attention to detail gives you confidence that your ground transportation will be guaranteed, reliable and luxurious.

They are proud to be the exclusive ground transportation for the Saskatoon Airport Authority.
