

RCGA rules govern all play except where modified by the following local rules:

- Electric cars and pull carts shall not be taken into the natural environment areas that exist throughout the property. Hand carts and electric cars shall be kept on pathways and/or the prepared turf not closer than 35 feet to tee decks and green sites.
- All perimeter fencing denotes Out of Bounds throughout the course.
- Suspension of Play will be indicated by two blasts. All play shall be discontinued when play is suspended. Play will be resumed with one blast.
- All Blow-out Bunkers (Waste Areas) are to be played as the ball lies. Grounding of the club at address is permitted as is allowed by the Rules of Golf in these areas.
- All native grass and sand dune areas may be played as a lateral hazard and relief may be taken accordingly to speed play.
- Rakes shall be left within the sand bunkers after play.
